As this evening ends my reign, I look at it as a new beginning. I wish to thank all of you who touched my life and gave me the positive, supportive feedback I needed.

Two very special people gave me the inspiration to become involved with the Court, Emperor V John and Empress V Laura of Modesto. Thank you for being my "Gay Parents" through all of this. One close friend shook his head all year and wondered how I could deal with it - Thanks Greg for being a true "Brother". Honesty and integrity are very important to me; a person is only as strong in these aspects as those who believe in him, for this I thank my REAL Family for allowing me the space to be OPENLY GAY in their lives.

To my Court Members, YOU have selfishlessly offered your help and support. Keep reaching out and promote the love we have created. Our dreams have only begun to come true and tonight does NOT mean it is time to quit! Billy & Doug - "Good Luck" throughout your year ahead. Both of you were always there whenever I needed you. You too, Digette. Board Members who had the GUTS to stick it out with us, it's obvious that you do care. Tom, your insight kept us all "On Purpose" - Thanks!

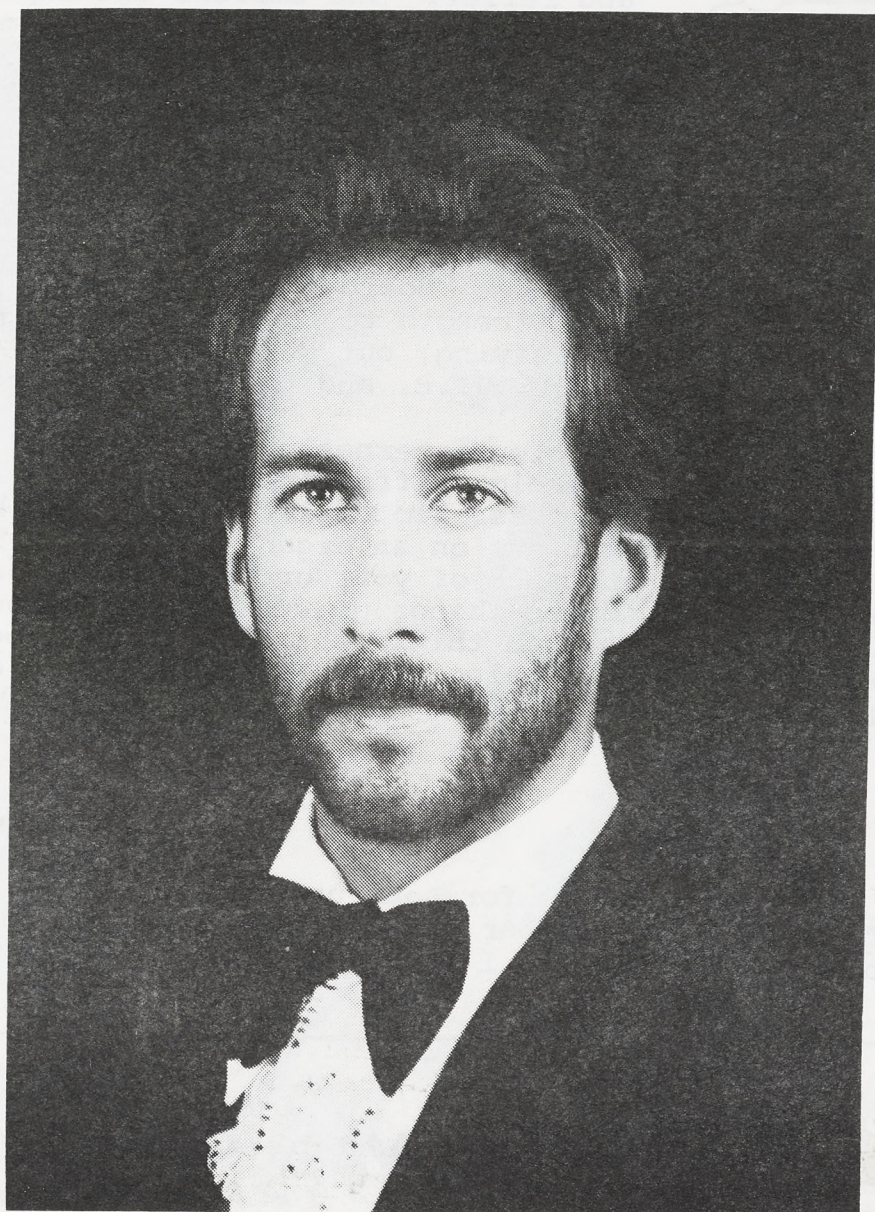

To the Community of Sacramento and my Friends - Most of you stood beside me and gave me strength to represent you both in and out of town. For the five of you who never cared, except to create negative lies and distrust - perhaps ALL of us could have progressed much further if you didn't have your egos up your asses.

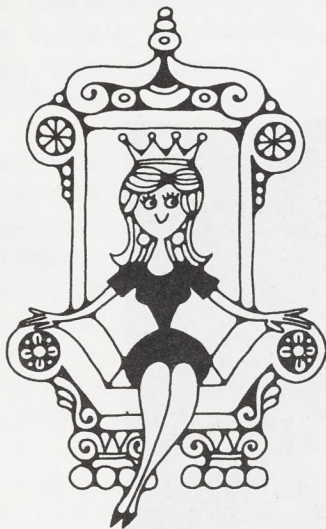

TO MY EMPRESS - Jinger, it hasn't been easy. However, through it all I am glad we were able to share the laughter and tears. Our friendship can never be taken away.

For those of you who have goals and dreams - Remember, they do come true! Thanks for accepting my challenge and becoming involved in OUR COMMUNITY.

H.M.I.M. Emperor VIII

Larry Macy

Dear Friends -

I look back on the year with gratitude and relief. The Empress and Emperor are always on the firing line; Be Damned if you Do, and Be Damned if you Don't. But as a whole, I enjoyed my entire year and would not trade it for anything.

I had a lot of loving people work with me this year. Doug, Sweetheart, thank you. Tom, a great job as President of the G.N.I.E. Board. You showed and gave us the strength to do the job; not always satisfying, but doing the right things for G.N.I.E. and the Community.

I personally have a little bitterness toward five of you who continuously made this reign difficult. By doing so you hampered community progress. To dislike me or dislike Larry is no reason to take it out on an organization that has survived eight years. Because of your uncontrollable jealousy and lies, you love to see things go wrong just so you can complain and criticize. You think this community respects you; well you'd better look again. I am NOT leaving, I am simply stepping down.

H.M.I.M. Empress VIII

Jinger

P.S. - Larry, Thank you for your understanding and love; even if you did desert your biggest supporter in order to have unity in our reign. I love you.
